

Willow Class Newsletter

Spring Term 2024

A warm welcome back to everybody after the Christmas break. We hope everyone had a lovely time with their families and are ready for a brand new term. We have lots of exciting learning planned over the next few weeks!

We have already been enjoying sharing our Christmas news and the things we did with our families. This term our topics are all about Space and Lunar New Year. We have started with reading *Whatever Next!*. We will be thinking about space, exploration, moon landings and the planets. We will also be clearing and preparing the garden and planting too. Spring is just around the corner!

Dates for your diary

PE—Every Monday and Wednesday - Please send your child into school in a named PE kit.

Friday 26th January - Reading for Pleasure session—more details to follow.

Tuesday 6th February - Lunar New Year Parent session—more details to follow.

Friday 16th February — Last day of term

In this cold weather, please do send your child in with warm clothes., including a hat, gloves, scarf if you wish. We do spend a lot of time outside in Willow Class!

Please also ensure your child has plain water only in their water bottle.

Reading and phonics

Thank you for all of your support in reading with your child.

It really is so important to your child's reading journey. We ask that you read your child's reading book and reading for pleasure book with them at home as much as possible.

Children read with a school adult 3 times a week and daily during phonics sessions.

Please make sure that your child's book wallet is in their school bag each day.

Please use Tapestry to share what your child has been up to outside of school. We are able to respond easily to queries on here too, so please do get in touch if you need to. **All medical information must go to the school office.**
