

Willow Class Newsletter

Welcome back to everyone after a nice Easter Holiday. We are looking forward to some exciting learning this term and we plan to cover the following topics;

Africa/Handa's surprise

People who help us/Nursery Rhymes

Minibeasts

Seaside and holidays

Trips and Visits

We are excited to announce that we will be going on a class walk to the village shop. We will be using money to buy ingredients to create some yummy food for our Parent Share Afternoon. Willow will be having a special visitor in school for our People Who Help us topic - more details to follow.

Later on in the Summer, our Friends from the Reception Class at Bacton are coming to join us for the day. We will be hosting Our Animal World. This is a wonderful visiting zoo that will be bringing along lots of mini-beasts for the children to meet and also two very special well-being puppies.

Changeable Weather

Please ensure your child comes to school with everything that they need, depending on the very changeable British weather! This includes a waterproof coat, jumper or cardigan, sun hat and a water bottle. Please ensure your child has plain water only in their water bottle. Please also apply sun cream in the morning when the weather requires it. Willow Class do spend a lot of time outdoors! Thank you

Summer coat hat sun cream water bottle jumper

Please continue to use **Tapestry** to share what your child has been up to outside of school. We love hearing about your child's learning as well as special events and try to look at these together at school as much as possible. We can also respond to queries using Tapestry. However, if you need to let us know anything urgent within the school day, including medication/leaving for appointments or 'admin type queries, please contact the school office by email or phone, as we do not want to miss important messages.
