

Music

This term, we will be focusing on our improvisation skills and how to improve our performance skills using percussion instruments, glockenspiels and singing.

Science

We will be learning all about living things and their habitats, focusing on microhabitats, finding out about and describing the basic needs of animals, including humans, for survival (water, food and air), as well as learning to describe the importance for humans to exercise, eating the right amounts of different types of food and hygiene.

English

Each day, we complete our daily supported reading session and learn about phonics in our 'Little Wandle' sessions. In our writing lessons, we will be writing information texts after being inspired by books about Hummingbirds and Moths. Later in the term, we will be focusing on story writing.

Computing

Our first unit is called robot algorithms. Our second unit will build on our knowledge of programming, specifically how to programme quizzes.

P.E.

This term, PE will be on a Monday and Wednesday. We will be doing Tennis, Mini-games, Athletics and Kick Cricket.

Art

We will be developing our 3D skills to make sculptures inspired by Andy Goldsworthy.

D&T

We will be working on our construction skills to make a windmill.

History

This term, we will be learning all about Monarchs. We will learn about King Charles III as well as finding out about castles, William the Conqueror and the Bayeux tapestry.

Maths

This term, we will be focusing on a range of short topics on measures and geometry - this will begin with 'Position, direction and movement', telling the time and 3D shapes. Later in the term, we will be consolidating our knowledge of Money and developing our calculation fluency skills.

What are Elm Class doing this term?

Summer 2024

R.E.

We will be finding out about Islam – Who is God to Muslims?

Geography

We will be finding out about life in Shanghai and comparing it to our lives in the UK.
