

### Music

This term, we will be finding out about pulse, rhythm and tempo. Later in the term, we will begin practising for the Christmas Nativity play that will involve lots of singing and dancing.

### Science

Our first unit of learning is about the Human body- knowing the names for lots of different body parts and understanding how we use our senses.

Later in the term, we will be learning about the changing seasons from autumn to winter and finding out about materials and their properties.

### English

This term, we will be focusing on traditional tales and using them to inspire us with our own emerging writing skills. Each day, we do a daily reading session and a phonics session too. In these sessions, we will be learning how to blend and segment using vowel sounds such as ai, ee, igh, ow and ou.

### Computing

Our topics for this term are called: 'Health, wellbeing and lifestyle' and 'Technology around us'.

### P.E.

This term, PE will on a Tuesday and Wednesday. Children should come to school in their PE kits on these days.

### Art

We will be learning how to paint self portraits in the style of Paul Klee

### D&T

We will be exploring textiles and making puppets on our DT day in a few weeks.

### History

Our History topic is called, 'How am I making History?' The children will be learning how to talk about memories and reflecting on how everyone has different memories of their own past. You have received an email with details of things to bring into school to add to our memory boxes.

### Maths

This term, we will be focusing on place value using numbers up to 10. We will be doing lots of counting and writing numbers. We will also be learning how to add and subtract confidently. At this age, it is very important to be very confident at working with 1 digit numbers as this is the foundation from which all future maths learning is based on.

### R.E.

Our RE topics are both about Christianity. They are called: 'What do Christians believe about God?' and 'What gifts might Christians in my town have given Jesus if he had been born here rather than in Bethlehem?'

### Geography

Our Geography topic is called 'What is it like around here? This is a unit about the local area.

What are Elm Class are doing this term?

Autumn 2024
