

18th September 2026

This week

Behaviours for learning continue to be a real strength. During recent learning walks, we have been impressed by pupils' positive attitudes and the way they have engaged with their revised **Early Morning Work** routines. Please do ask your child about this at home.

Thank you to all the parents and carers who attended our **Meet the Teacher** event this week. It was lovely to see so many of you there.

We are delighted to welcome **Mr Woolgar**, who has joined Elm Class as a student teacher. We look forward to supporting him during his placement and know that the children and their families will make him feel very welcome.

Next week

Parents of children in **Willow class** are invited to join us on **Thursday at 2.30pm** to learn more about how we teach phonics and how you can support reading at home.

A reminder that **Break a Rule Day** takes place on **Friday**. We are looking forward to a fun day while raising funds for the school.

Individual Photos

As with the class group photographs, individual photographs will be taken by two different photography companies. This will give families the opportunity to compare both options and decide which style they prefer.

Once you have viewed the photographs, we would appreciate it if you could let the school office know which company's photographs you prefer. Your feedback will help us decide which photographer to use for individual and class photographs next year, meaning we will only arrange for the preferred company to attend in future.

Thank you for your feedback and support.
