Parental Involvement at Mendlesham Primary School

We currently run termly share afternoons, termly book looks, parents evenings, annual information sharing meetings for EYFS, phonics and Destination Reader. We also have termly share assemblies as well as church services for parents to join us regularly – Harvest, Remembrance, Christmas and Easter. Last year we started "meet the teacher" meetings for those with children moving up to a new class. We also invite parents to join us for lunch following our Sports Day event in the summer.

We welcome your views and if you have any further ideas or ways you might like to be involved to support your child's learning or well-being at school, please let us know either by talking to a member of staff or via email
