Dear Parents/Carers

23 November 2018

The term seems to be really flying past and the weather has now turned cold. The children have been asked to have a coat in school every day to enable them to still enjoy outdoor play.

The children are all working hard, we have a whole school focus on vocabulary and increasing the number and quality of words we are using. It would be helpful when reading with your children, if you could discuss the language being used in their books – what it means, why the author may have chosen it, what might be a better word/phrase etc. Please record when you read with your child in their record book.

Thank you for your on-going support.
