Dear Parents/Carers

15 March 2019

Many thanks to those of you who came to support your children at the share assembly. As you know this is an important event for the children and speaking clearly in front of an audience takes preparation and courage. Our children and staff work incredibly hard to make it special for parents, grandparents and friends. Whilst understanding the difficulties, we would appreciate in future if younger siblings who are finding it hard to stay quiet are taken from the hall for a break outside and that adults present please refrain from talking, giving your children the best opportunity to be heard. We thank you for your cooperation and understanding.
