

Hazel Class – Week 1 - 3

Great to see you working hard and playing hard, making the most of your time at home.

6th May 2020 Writing Task 1

About two years ago we went to Legoland. We visited a pirate show. The pirate show was amazing. Before we got to the top of a light house. He landed with a massive splash! It was amazing. The ship because there was a royal wedding. The pirates were very happy when I went into a delivery school. I successfully got a delivery license. We went on a pirate boat ride. We saw some pirates which was very scary. We saw some more things. After we went on the water ride. We went on an ice cream. I had one with chocolate and the A. It was quite good. After we went to explore our hotel rooms. It was quite boring because the outside of the hotel was made of Lego. There was a bit of magic with chess. It led us to a locked door so we found a key. We opened it and there was three keys inside. On top of the door was a cat that looked like our cat. It played a game on the TV showing our balls while my brother and sister was in the bath.

I was very excited to wake up in Legoland the next day. After we got breakfast we went in the sunbathing to have a heavy breakfast. It was a small bit of breakfast, so I made the most of it.

Before going into the theme park we looked at a legoland map to decide which ride to go on first. We went on a boat ride and a water ride. After that we went on a roller coaster. The roller coaster was going smoothly and we had a lot of fun. It was also going higher and higher. After we went on the roller coaster we went on a water ride. We lined up to go on a swimming pool. I was a bit nervous to get on it but it was very fun. I separated and swam. After our swimming days we started to pack our things and when we did that we went to the car and had a sleep on the journey home. (I would love to go back here!)
