Dear parents/carers

I would like to thank you all for your continued support with our phased reopening of the school to years R, 1, 5 and 6. There has been a wonderful response, and it has been great seeing so many children back to school and so happy to get back into a familiar routine and see their friends and teachers.

We have been looking at possible ways to allow children in Years 2, 3 and 4 to return to school before the summer break. I believe that it is really important to do this, both to reconnect with the children who have been out of school for so long, and to also allow those who will be changing class in September to do some transition work and have the chance to meet their new teacher properly.

The school will be opening to these year groups for the last three days of the summer term, from Monday 20<sup>th</sup> July. Therefore, children in Years R, 1, 5 and 6 will have their last day on Thursday 16<sup>th</sup> July. This will give the school the chance to deep clean classrooms and set up new packs of equipment for all children who come in on the following Monday. The school will remain open to children of key workers until Wednesday 22<sup>nd</sup> July.

If you have any questions, please contact the school at [admin@mendleshamschool.org.uk](mailto:admin@mendleshamschool.org.uk)

Thanks,

Tom Singleton
