Headteacher: Mrs Tessa Sait

03/07/2020

Dear parents/carers

I would like to thank you all for your continued support with children's home learning over what has now been a considerable time. Over the last few weeks, we have been open to children in Reception, Year 1 and Year 6, and have also managed to welcome Year 5 children back last week. There has been a wonderful response, and it has been great seeing so many children back to school and so happy to get back into a familiar routine, see their friends and teachers.

We have been looking at possible ways to allow children in Years 2, 3 and 4 to return to school before the summer break. I believe that it is really important to do this, both to reconnect with the children who have been out of school for so long, and to also allow those who will be changing class in September to do some transition work and have the chance to meet their new teacher properly.

I am really happy to inform you that we will be opening to these year groups for the last three days of the summer term, from Monday 20th July. The rest of the children who have been in school will finish for the summer on Thursday 16th July, which will allow the school to deep clean classrooms and set up new packs of equipment for all children who come in on the following Monday.

We have been looking carefully at staffing and classroom plans to make sure all our arrangements continue to follow both national guidelines and those implemented by our school and the Academy Trust over recent weeks. In order for us to finalise this, we now need to confirm the number of children we expect back.

Please complete the attached survey by Tuesday 7th July to indicate whether you would be interested in your child returning for these days. Further information regarding times, arrangements, lunches and behaviour will follow.
