Dear parents/carers

Following my email about the re-opening of school to children in Years 2, 3 and 4, I am writing to you to confirm that we will be opening for three days from Monday 20th July. Below is some information about the times and arrangements for your child. There has been a wonderful response and level of interest, so thank you for your continuing support.

In order to follow the national guidelines and the measures our school has put in place around social distancing, each year group will be taught in a separate room with access to their own toilet facilities and their own entrance, collection point and play time. There are slightly staggered start and end times to ensure groups can remain separate.

Arrangements are as follows:

Year 2 children will be taught in Elm Class. They will need to arrive at school at 9:00-9:10 and will enter their classroom from the small field gate. Children will finish school and be collected from the gate on the field at 3:00pm.

Year 3 children will be taught in Hazel Class. They will need to arrive at school at 9:10-9:20 and will enter their classroom from the small field gate then through the playground. Children will finish school and be collected from the gate on the field at 3:10pm.

Year 4 children will be taught in Chestnut Class. They will need to arrive at school at 8:50-9:00 and will enter their classroom from the large field gate, across the playground and to the classroom fire door. Children will finish school and be collected from the gate on the field at 3:15pm.

We are all looking forward to welcoming children from these year groups back to school before the summer. Over the three days, children will spend time with their current teacher and those who will be having a new teacher next year will get the chance to spend some time with them too. Additional information around what children will need to bring in to school will follow shortly.

If you have any questions, please contact the school at admin@mendleshamschool.org.uk .

Best wishes,

Tom Singleton
