12 March 2021

Dear parents/carers

It's wonderful to have all the children back in school, they are all so happy and have settled in very quickly. I'm sure that by the end of the week they will be tired, as they have all been working hard. They are showing enthusiasm and very positive attitudes to their learning and are very much enjoying being with their friends again. Thank you for following the guidelines and keeping your distance at pick up and drop off times. We are aware there may be some teething problems and will work to iron these out to keep everyone as safe as possible.

Tessa Sait

Executive Headteacher

World Book Day

Children are bringing home their £1.00 book token this afternoon. 2021 participating booksellers will honor the token beyond 28 March while stocks last.

We hope to have our own world book day event later in the year.

Arriving and Leaving School

If you drive to school, please can you use the car park. We have opened up a gate from the pedestrian path onto the playground, people will be crossing the road and cannot cross the roads safely if there are cars parked around the entrance.

Breakfast and After School Club

Due to government guidelines, the above clubs are only available to support parents to work and for pupils with specific arrangements with the school to support their child's learning needs.

Bank Holiday

Monday 2 May

Contact with Staff

Please be aware that teaching and support staff are unable to leave classes to respond to telephone queries. Messages will be passed on from the office and a staff member will call you back at a time when they are not teaching or supporting children.

Please continue to use class email addresses to contact teaching staff, these are also regularly monitored.

In the event of an emergency, such as imminent danger to a child or safeguarding concerns, phone the school and a senior member of staff will respond.
