Dear parents/carers

It is wonderful to see everyone back after the Easter holidays. The children have settled in really quickly again and already working hard. We are all looking forward to a fantastic and uninterrupted summer term. Please could we remind you all to name all clothing and water bottles so that everyone's belongings find their way back to the correct home. Also while the weather is changeable please ensure that children come to school equipped as necessary, often coats are still required.

Tessa Sait

Executive Headteacher

Chestnut Class

The children have dived straight back into their work this week, and it has been lovely to see how engaged they are with their new topics. We have been recapping our understanding of reproduction in flowering plants in science, exploring the impact of climate change in geography, as well as creating our own nature critters in forest schools. The children are particularly looking forward to starting our STEM project on Friday, and finally finding out what's in the box at the back of the room.

PE and Games

PE and Games are important to the school curriculum and all children should have their kits in school ready to take part. If for any reason your child can't take part a letter must be sent to their class teacher. Earrings should be taken out and left at home as school is not responsible for any that might be mislaid.
