Dear parents/carers

This half-term is rushing by all the children have all been working incredibly hard their teachers are really proud of them. On a learning walk this week, I observed your children doing maths, displaying fantastic learning behaviours and good attitudes to learning. They are a credit to you all.

Year 6 children will be having their transition days right at the end of term which is so important so they are able to see where they will be taking the next step in their education. The rest of our school will have their transition days as planned on 5<sup>th</sup> and 6<sup>th</sup> July.
