

Welcome to Willow Class!

We have had a fantastic start to the school year and all the children have been so brilliant and are settling in so well.

We will keep you updated with our learning and pass on information through newsletters, texts and updates on **Tapestry** (our online learning journeys). We have had some technical issues with our Tapestry account and so apologies for the delay in setting these up - we should be ready to go early next week and have lots of photos already to share with you! You will receive an email when your account is activated.

If you have not done so already, please can your child bring in a pair of **wellies** that can be left at school. This allows us to use our outdoor area whatever the weather.

Our PE lessons are on **Wednesdays** (please remove earrings on this day) The children will be getting themselves changed as independently as possible (and have done so well this week!). If they are used to getting themselves dressed/undressed at home, this really helps!

On **Thursdays**, we will be doing Forest School type activities. The children will need to arrive at school wearing old warm clothes every Thursday. Please can they bring water-proof trousers, a warm water-proof coat, hat and gloves; we intend to run the sessions whatever the weather so please send your child with the appropriate clothes every Thursday. They can wear their school shoes, as they will put on the welly boots that they have in school before the session (please bring in wellies if you have not already done so).

Monday—Mrs Wesley and Miss Adams

Tuesday—Mrs Wesley and Miss Adams

Wednesday-Mrs Wesley and Miss Adams

- PE with our PE coach

Thursday-Mrs Gridley and Mrs Arbon

- Forest School activities (children to wear old, warm clothes)

Friday-Miss Adams and Mrs Woodley

- Physical Fridays (wheeled vehicles and equipment)

Reading/Phonics session

On Monday 20th September, you are invited to join us for a reading/phonics information session at school at 2:30pm. We will need to limit this to one adult per child due to current procedures.

We hope to invite you in to the classroom to share some reading books with your child and see some of our phonics resources.

Thank you!
