19 November 2021

Dear parents and carers,

As mentioned last week, guidelines from Suffolk County Council have been reviewed and subsequently extended for a further fortnight. Therefore, regrettably, we are unable to welcome guests into school. As such, we are rearranging our open session for prospective parents to Wednesday 1st December. This will be via appointment only (details below).

A huge thanks to everyone who joined in and donated to Children in Need today. Your support is greatly appreciated.

Next week, all children across the school will be taking part in our annual STEM week. The teachers in each class have been busy planning fun, engaging lessons relating to science, technology and maths. This year our theme is the human body! Keep a look out for photos on next week's newsletter.

Kind regards,
Joseph Santy

Digital Leaders

In our Digital Leader sessions, we have been trying to make some rules for all children in school. We want to make 5 rules so that all children are safe when they are online and treat technology with respect. At the moment we have meetings on Thursdays or Fridays and we hope everyone will have fun when using technology. We will be talking to the whole school about these rules in assembly next week. The website: www.thinkuknow.co.uk is a great place to go for information about internet safety. By Amy

School Uniform

Please ensure that all school uniform, PE kits etc. are clearly named so that if they are found in school they can be returned to their owner.

After School Club

There will be no after school club on the last day of this term Thursday 16 December 2021.

ARBOR

If you are unable to login to Arbor please contact the school office and they will send you a link to reset your password. If you change your email address please inform the school office

Diary Dates

22 November – STEM week
