3 December 2021

Dear parents and carers,

The children in Willow, Elm, Oak and Holly classes have been very busy rehearsing their Christmas production this week. It's looking superb and it's brilliant to see so many children joining in with the words and songs. Whilst we are incredibly disappointed that you are unable to come in and see the production, we hope that the recording of it will mean you're able to watch it with your extended family over Christmas.

If you haven't already, please sign up for the Class Dojo app. We hope to continue updating this platform with photos and information of some learning going on in school each week.

Finally, a gentle reminder that school starts at 8:50am. As such, we are not able to oversee children that arrive before this time – unless of course they are in Breakfast Club.

Kind regards,
Joseph Santy

Eco Rangers

This week we have been working in different groups with a focus on habitats/water/waste created in our classrooms and around school. We are really keen to make sure we are looking after our environment. Therefore, we have been coming up with plans about how we are going to tackle these issues. We'll be presenting them to the whole school soon. We love our role as Eco Rangers!

Arbor

If possible can all payments for school lunches and the Y5/6 residential visit in 2022 please be made through Arbor. Any queries please don't hesitate to call the school office. Unfortunately at present you are unable to use this facility or make payments or clubs and uniforms.
