

4th January 2022

Welcome back! I hope everyone is refreshed.

The curriculum newsletter for the Spring Term 2022 is attached.

Spellings will continue to be given out on Friday to be tested the following Friday (there weren't any to learn over the holidays!). The children will continue to have PE on a Monday and a Wednesday. It is important that they have their indoor kit (t-shirt, shorts, trainers and socks) and their outside kit (jumper, jogging bottoms) in school all week. Swimming sessions have now finished.

Just one piece of homework is given on a Tuesday or Wednesday. This is to be returned the following Tuesday. Please encourage your children to get in the habit of getting this done AND handed in on time. This will help them develop good habits of organising themselves.

Please also continue to encourage your child to read at home and record in their home school diary when you hear them.

If you have any questions or queries regarding your child's learning, please contact me via the class email address: hazel@mendleshamschool.org.uk – I will endeavour to check this email address each day. All other queries can be sent to the office: admin@mendleshamschool.org.uk

I look forward to seeing them all tomorrow.

Kind regards

Miss Liz Churchill
