4 February 2022

Dear parents and carers,

Unfortunately, like many settings we have had staff shortages this week not only due to COVID but other exceptional circumstances. We always endeavour to maintain continuity for all our children and their learning, but obviously there are occasions when we are unable to do this. Please be assured that the children are always supported in their learning by staff they are familiar with. We thank you for your support and patience during such times and we are sure that the children are much more resilient because of all the challenges they have met with over the past two years

Below are photos of some of the work that took place in school this week. Explanation writing in English, magnets in science, cooking in DT, bird feeders in art and fractions in maths has meant it's been a busy week of learning!

Kind regards  
Joe Santy  
Head of School

## Safer Internet Day

Next Tuesday is 'Safer Internet Day' and many schools will be discussing internet safety. We will also be discussing and learning about how to safe online as well as hearing from the Digital Leaders in assembly.

### Internet Safety

Please spend some time looking at this week's online safety newsletter from the Trust.
