11th February 2022

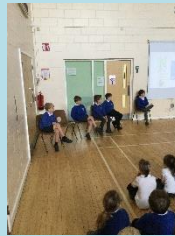

Dear parents and carers,

This week the children across school have been learning about how to stay safe online. Each class has been discussing the pros and cons of the internet, alongside what they should do if things online worry them. The week culminated with the Digital Leaders holding an assembly to give advice to the whole school.

Please pay close attention to the notices below. Information regarding Break-A-Rule, World Book Day, The Little Hoot Trail, artists being needed, and extreme reading (don't worry we aren't expecting anyone to undertake reading a book whilst sky diving!) are all detailed. If you can lend a hand, or take part please let us know.

Many thanks, Joseph Santy, Head of School

Internet Safety from the Digital Leaders

World Book Day

We will be celebrating World Book Day in school after half term as part of our creative week. Whilst we are not asking children to dress up, we would like to ask for some **EXTREME READING**. This involves asking the children to read their favourite book in a weird and wonderful place. If you could take a photo of this and send it to class email addresses or the office email address, then we can share them with the whole school.

Calling all artists!

Can you lend a hand with your art skills? We are looking for a couple of 'art smart' parents/carers that could join our artistic year 5 and 6 children in recreating the successful owl design on the giant owl. Please let the office know, or speak to Mrs Owen if you could offer some support.

School Uniform

Please can children come to school wearing the correct school uniform including black shoes. Trainers are not acceptable as these are needed for PE/Games and children are always expected to change from their shoes into appropriate footwear for PE/Games.
