18th February 2022

Dear parents and carers,

Our Road Safety Officers are concerned about parking in the yellow box outside the front of school. We are concerned it is creating a danger to pedestrians and causing congestion. The officers have also spoken to all the children about being sensible and safe when walking through the car park before and after school.

Our next big event in school is World Book Day and if you are looking for something for a fun activity during half term, then why not undertake EXTREME READING? It's very easy to do, just simply take a photo of your child reading in a peculiar location and bring it in or email it to school.

We all hope you have been able to stay safe during the impending storms and hope you all have a relaxing and enjoyable half term break.

Kind regards
Joseph Santy

World Book Day

We will be celebrating World Book Day in school after half term as part of our creative week. Whilst we are not asking children to dress up, we would like to ask for some **EXTREME READING**. This involves asking the children to read their favourite book in a weird and wonderful place. If you could take a photo of this and send it to class email addresses or the office email address, then we can share them with the whole school.

Little Hoot

We will be taking part in the Little Hoot trail in the summer. We will be asking the children to design an owl to take part in the trail. The winning entry will be chosen and their design will be cast onto a giant owl. This owl will then be transported to Ipswich to take part in the trail.

Calling all artists!

Can you lend a hand with your art skills?

We are looking for a couple of 'art smart' parents/carers that could join our artistic year 5 and 6 children in recreating the successful owl design on the giant owl. Please let the office know, or speak to Mrs Owen if you could offer some support.

PE Kit – Wednesday 2nd March

All children will need their indoor PE kit in school on this day as all classes will be doing some street dance sessions with a trained professional!

Our latest internet safety guide for parents is attached to this email. It contains information to keep your children safe on Netflix.
