11<sup>th</sup> March 2022

Dear parents and carers,

Next week we will be inviting parents into school for Parents' Evening. It gives teachers an opportunity to communicate with you about how child is progressing with their learning, their social skills and their behaviour. Added to this, you have that opportunity to ask your child's teacher any questions. This year we are booking our Parents' Evening slots via Arbor and you should have received a message about this earlier in the week. If you would like an appointment, and you haven't done so already, please book via Arbor as we still have availability on Tuesday and Wednesday.

Within the last 24 hours you will have all received guidance from Mrs Sait regarding some positive COVID cases in Oak and Elm class. Please read this information carefully regarding symptoms, testing and isolating as we look to keep our school community as safe as possible.

Kind regards  
Joseph Santy

### Well done Year 6, keep it up.

Well done to the year 6 for the attitude they are showing as they prepare for their KS2 SATs. Many of them have begun arriving at school early, for SATs breakfast sessions and they are showing a great 'can-do' attitude. Keep it up!
