8 April 2022

Dear parents and carers,

Today is the end of an era for Mendlesham Primary School. Our lovely long serving office manager - Ann Cracknell is retiring. Ann has worked at the school 37 plus years, first at the old Victorian building, then moving into the new school when it was built in 1987. Ann has seen many changes but has always been able to recall children's names, often including siblings, parents and even grandparents as generations either came to the school or dropped their children off. As staff, we will really miss the care and support of her and her vast knowledge of the school and families in the village. While we are sad to see her go, I am sure that you will all join us in wishing her the long and happy retirement that she deserves. Best wishes Ann - and don't be a stranger. You are welcome at Mendlesham any time.

Kind regards
Tessa Sait

Norwich Theatre Royal

Whilst we were unable to go to the church this morning, we still celebrated Easter in school with each class contributing to the service.

Road Safety Officers

The Road Safety Officers Cate and Riley would like to say well done to all the children who have parked their scooters/bikes safely and to remind parents to use the allocated spaces and not the yellow hatched areas. Next term they will be looking to see the older children setting a good example to the younger children.
