13 May 2022

Dear parents and carers,

We were pleased to welcome parents and carers back into school this week for Parents' Evening. Hopefully you were able to gain an insight into how your child is progressing this year. If you were unable to come into school to speak to your child's class teacher, please do ring or email and an alternative date/time can be arranged to discuss your child's progress and learning.

KS2 SATs tests have now ended for year 6 and we congratulate them on their hard work and focus during the week. At this time of the year, all year groups begin undertaking their end of year assessments. These tests will be used by teachers, alongside their own teacher assessments, to make judgements about the children's attainment. These will then be communicated to you in your child's end of year report. If you have any questions about this, please do not hesitate to contact us.

Kind regards
Joseph Santy
Head of School

Holly Class

Holly class have been practicing their addition skills using cubes

Do you run your own business?

Are there any parents/carers or relatives that are able to come into school to talk to the year 6 children about advertising, profits and how to create a business plan? If so, could you spare 30 minutes one-day next week? We are looking to set up an 'Enterprise Project' with year 6 after SATs and we'd love to hear from you. Please contact the office if you can help.

Year 5 & 6 Residential

If your child is attending the Y5&6 residential, please be advised that the outstanding balance is due by 1st June. Many thanks

Diary Dates

24 May – Jubilee Torch Relay

14 July (eve) – Y5/6 Performance
21 July – Last day in school

Worried about the welfare of a child?

Advice and means of reporting your concerns can be found at <https://www.nspcc.org.uk/keeping-children-safe/reporting-abuse/report/>

Assembly focus

This week, in assembly, we have been talking to the children about their worries. We have discussed talking to someone about any worries they have.

Ready for summer?

As we approach summer it is important your child is ready for warmer weather. This includes a sun hat, water bottle and suntan lotion applied before school.
