6 May 2022

Dear parents and carers,

It has been lovely to see so many children playing with our new play time equipment. This equipment, which includes netball hoops, basketballs, stilts, balls, hoops and tennis rackets, is available for all children to play with each break/lunch time.

This week I had the pleasure of talking to the Parish Council about their plans for the Queen's Jubilee. After our discussion I was pleased that we were able to collaborate on some of the activities and events. In addition to this, joining in with events being held around the village. As such, the final week of the term will include us making crowns, having a street party lunch, learning about the Queen's life and joining the general public in cheering on the torch relay through the village. More information on these events to follow.

Kind regards
Joseph Santy
Head of School

Good Luck Year 6

Next week the children in year 6 will be undertaking their national tests. These tests, or SATs, take place each year (although not for the past 2 years!) in May and are standardised across the country.

The children in year 6 understand the importance of trying their hardest and giving their all in these tests. We are really proud of them and all the hard work they have put in over the last 7 years!

We know they don't need it, but the best of luck to each and every one of them. You are all stars!

14 July (eve) – Y5/6 Performance
21 July – Last day in school

Parents' Evening EYFS – Year 5

A reminder that Parents' Evening will be on **Tuesday 10th** and **Wednesday 11th May**

Ready for summer?

As we approach summer it is important your child is ready for warmer weather. This includes a sun hat, water bottle and suntan lotion applied before school.

Summer Fair

The Summer Fair has been announced for Saturday 2nd July. It is certainly an event to look forward to! This being said, FOMSA are asking if anyone can spare an hour to help them. More details to follow.
