17 June 2022

Dear parents and carers,

Throughout the year, there have been many occasions I've been able to see the bond our younger and older children are able to have with each other. This was evident again this week with our year 5 & 6 children listening to our year 1 & 2 children read; as well as our year 3 & 4 children playing games with our reception children at play time. It offers a superb opportunity for children to learn from each other - as well as from the adults in school.

Today was certainly a hot day in school. Please make sure your child has a sun hat and a water bottle in school. Also, please apply suntan lotion before school starts in the morning.

Kind regards,
Joseph Santy

Elm Class

Elm class have been learning about the impact humans are having on the environment and the responsibility we all have in looking after animals' habitats.

Eco Rangers

The Eco Rangers have been busy in school - filling the planters with top soil ready for planting. They have made a start with some pollinating plants and vegetables. We would be very grateful if you anyone could donate some pollinating plants and help plant these with the Eco Rangers on a Wednesday lunchtime. Or, if unable to help, please hand them into the office.

Job vacancy

The school has a teaching assistant vacancy (starting in September) on the Suffolk Jobs Direct website.

Please take a look, or email the school office if you are interested in more information.
