1<sup>st</sup> July 2022

Dear parents and carers,

Next week is another big week for our children. Many of our year 6s will be attending Stowupland High School as part of their transition to the next phase of their learning. We are taking this opportunity to give our pupils the chance to get to know the teachers they will be with next year. They will arrive at school in the usual way, be registered and then taken to their new classes. These sessions will take place on Monday and Tuesday.

We are also excited that we have begun to welcome our new cohort of reception children for next year as they have visited for "come and join in" sessions. Many parents also attended an information evening on Tuesday. It is great to be able to resume this kind of event face to face, giving us more opportunity to work in partnership with you.
