9 September 2022

Dear parents and carers,

A warm welcome back to school to all families connected with the school. I hope you've all had an enjoyable summer holiday and had an opportunity to relax.

We were very pleased to welcome all the children back to school on Monday and we've enjoyed settling them back into their routines this week.

A special mention must go to the children who have just joined our school - whether it be children joining us from other schools, or children in Reception starting school for the first time. You have all settled in wonderfully and we look forward to welcoming you into our school community over the coming weeks and months.

Please take note of the diary dates set below.

Kind regards,  
Joseph Santy  
Head of School

### Mental Health

The school has always taken children's mental health incredibly seriously. Whether it be work in lessons, discussions in assemblies or additional adult support - we are always actively supporting our pupils. In addition to this, the school will be becoming a hub for mental health support and resources. This week saw all the staff undertake further training and guidance. If ever you feel you'd like to discuss your child, please contact us.
